Custom Mount Design Process
Our clients collaborate directly with Dave to bring their vision to life—from initial concept through final design. Throughout this process, Dave guides clients through a variety of options including mounting styles, poses, custom display features, habitat elements, and pricing. Each mount is completely custom-built, offering limitless possibilities tailored to your unique preferences and needs.
Options range from a simple wooden wall plaque to a showroom-worthy elaborate habitat scene. Your trophy will be created based on the size and style of the mount, your available display space, and budget.
